

# 16th JSPE and 5th ACPE joint meeting

29-31 October 2010, Central Tokyo, Japan

Activities and Co-operation for Drug Safety in Asia

It is our great pleasure to invite you to the 5th Asian Conference on Pharmacoepidemiology (ACPE) in Tokyo. The Conference will be held as the joint meeting with the 16th annual meeting of Japanese Society for Pharmaco-epidemiology (JSPE) with the theme of "Activities and Co-operation for Drug Safety in Asia".

The Conference has a unique feature of Asian Pharmacoepidemiology Network (AsPEN) where the same problem is addressed by the researchers in different countries in Asia.

We hope as many people in Asia and other area as possible will join the meeting and enjoy Tokyo in October 2010!

## Program
